# AQUANATURA WATER PURIFIER

- Area of application:** In the household for healthier drinking water, for daily use in the kitchen, for the preparation of drinks, for cooking, etc.
- Function:** The **AQUANATURA Water Purifier** is equipped with a washable pre-filter and a silver-impregnated activated carbon filter.
- The pre-filter and the activated carbon filter retain any mechanical contamination, odours, and most bacteria and chemicals.
  - The silver impregnation prevents contamination of the activated carbon filter and provides an additional bactericidal effect.
- Connection:** The **AQUANATURA Water Purifier** is equipped with an M 22 x 1 threaded connection and screws directly onto the water tap. The **AQUANATURA Water Purifier** is also equipped with a two-position switch. This enables it to be bypassed when purified water is not required (e.g. for washing the dishes, washing the hands, cleaning, watering the flowers, etc.)
- Technical data:**
- |   |                                   |
|---|-----------------------------------|
| Flow rate at an operating pressure of 5 bar : | 1 litre/min.                      |
| ● Max. particle retention:                    | >μ25                              |
| ● Max. operating temperature:                 | 38 °C                             |
| ● Max. lifetime of the filter:                | 1000 litres of water or<br>1 year |
| ● Connection thread:                          | M 22 x 1                          |
- Filter replacement:** Remove the filter protections, take out the washable pre-filter and the activated carbon filter and replace it.
- Starting:** After installing the **AQUANATURA Water Purifier** or replacing the filter, the water should run for approx. 1 minute in order to flush away any activated carbon particles.
- Precautions:** In the event of frost, remove the **AQUANATURA Water Purifier** from the water tap, empty it completely and store it.
- Distributor:** SANOSIL LTD                      Eichtalstrasse 49  
CH-8634 Hombrechtikon      Switzerland
- Guarantee:** One year from date of delivery

Our operating instructions both oral or written are based on extensive tests. Our advice is given to the best of our existing knowledge but is not binding insofar as their application and the storage conditions lie beyond our direct control. The description of the products and details of the properties of the compounds do not subsume any liability for damage. Otherwise, our usual conditions of delivery and payment apply.
